Summer 2016

Warm thank you for Panda Warmers

CELEBRATING DONORS : Pickering Mayor Dave Ryan, Mayor's Gala Chair Diana Hills, Ajax Regional Councillor Shaun Collier and Pickering Regional Councillor David Pickles, received a first-hand look at the new baby warmers at Rouge Valley Ajax and Pickering hospital.

Infants at Rouge Valley Ajax and Pickering hospital are benefitting from the care they receive in brand new baby warmers and the donors who made them possible were celebrated May 24.

The guests got a chance to see how the Panda Warmers work and hear from the staff who use them every day, about how important the machines are and how meaningful the gift is to their unit and medical team. The Panda Warmers were made possible through the generosity of participants and the community at events including the Mayors' Charity Golf Classic and the Pickering Mayor's Gala, along with donations from community groups, generous individuals and businesses. A total of seven new warmers were purchased and delivered earlier this year.

Pickering Mayor Dave Ryan, along with Mayor's Gala Committee Chair Diana Hills and a number of representatives from the City of Pickering and Town of Ajax, as well as individuals and representatives of groups and businesses, were on hand for the event.
