

From the Office of:

Kurtis J. McAleer

Chair & Chief Executive Officer

Durham Youth Council

City Councillor David Pickles,

Dave, I want you to know how much you've contributed to the success of our council.

From the very beginning you were always there to lead a helping hand to help get us up off the ground.

When you came to our inaugural meeting last September we only had 10 members, now only a year later, we are 22 members strong and have youth representing every municipality across Durham.

Our success wouldn't have been possible if you weren't there to provide support for us. Because of you, we were able to have our founding meeting in Pickering and from there, continued to meet in the City of Pickering. Without having meeting space, we would not have made.

Dave, Thank You!

Sincerely,

Kurtis J. McAleer

Chair & Chief Executive Officer
