

École Élémentaire et secondaire de Pickering

2235 Brock Road, Pickering

Saturday, October 5, 2013

Did you Know?

When it opens in September 2013, the École élémentaire et secondaire de Pickering will be Durham Region's first combined elementary and secondary school for francophone students.

The school has the capacity for 550 students and is expected to achieve LEED Silver Certification; meaning it will meet a standard set of design, construction and operation criteria for high-performance green buildings.
