Dear Mr. Pickles,

Thank you for joining Canadian Breast Cancer Foundation's Pink Tour when the bus stopped in Pickering on both Wednesday, September 4, 2013 and Saturday, September 14, 2013. The Foundation is proud to have the opportunity to speak with women across Ontario about the importance of earlier detection and breast cancer prevention.

We want to congratulate you for coming out to pledge your commitment to improving women's breast health at Shoppers Drug Mart and Pickering Town Centre as well as taking part in speaking with our Health Educators and signing the bus. We were thrilled to meet so many of your constituents and we learned a great deal from the experiences of the women and their families in Pickering who were willing to make a pledge to improve their breast health.

Once again, thank you for generously making time to visit the bus as well as for your ongoing support of the Foundation's vision of creating a future without breast cancer. We hope that you will continue to share what you have learned about the importance of regular breast screening and risk reduction with your friends, family and constituents.

Sincerely,

Sandra Palmaro
